

LAUTARO CABRERA

Project manager / Account executive

ABOUT ME

Argentinian, 30 years old.

I am a professional with a creative and practical mind. Constantly expanding knowledge on my fields of interests. A focused person, skilled on problem solving, decision-making, time management, negotiation and leadership. I am able to handle high volume of workload maintaining a life-work balance. Clear communication is key, and team work is a must. I want to help others reach their maximum potential.

I am looking for new challenges for the next 3-5 years where I can boost my career which can help me settle overseas.
